MAY 2016

NHCS Family,

It is amazing how quickly something comes to an end when you are enjoying yourself. School just started a few short weeks ago and now it is almost time for summer break.

I would like to thank parents/guardians and grandparents for sharing your children with us. Most of you have encouraged us as professionals and prayed for us daily. Thank you.

Change is never easy but I have tried to make small adjustments in the processes this year and have great plans for next school year also. Overall, many have supported and respected the changes and for this for which I am very appreciative.

NHCS teachers and staff take educating our children very seriously and regard our job as our ministry. Each student is loved, valued, respected and ministered to daily.

Many of you have ministered to us not only in support, but have given of yourselves monetarily and physically also. Your generosity has been appreciated.

I hope you have plans to spend time with family and friends this summer and are able to also do some things you enjoy doing. Stay safe and I look forward to seeing each of you on Monday, August 15, 2016.

Your prayers and encouragement is greatly appreciated.

Because of His Great Love,
Mrs. Arnold
